

Leadership News

Dear Families,

We would like to welcome everyone back to school for Term 3 with an extra big welcome to all the new students and staff who have joined our wonderful school this term. There are many exciting events ahead of us including **Market Day**. Our Year 6 students have been working very hard, researching and planning their stalls for this special event. This year's Market Day is already shaping up to have some very exciting and original stalls and activities for us all to enjoy in Week 7. Money raised from Market Day goes toward the Year 6 camp which is coming up at the end of the term.

Term 3 is also a big term for the Year 5 and 6 students that are participating in this year's **Tournament of Minds** competition. Once again, we have two teams representing our school. Our teams will be showcasing their STEM, problem solving skills, creativity and teamwork to compete against students from schools across South Australia during August and September.

Book Week is also coming up this Term, with the theme this year 'Read, Grow, Inspire'. In Week 5, we will once again have a Book Week parade and dress up day. Students can dress up as a character from a book for this event. A fun event we all look forward to!

School sports are also prominent on our school calendar this term. Participation in sport is a great opportunity for students to be healthy and active as well as develop team and leadership skills. We look forward to seeing our boys compete in the SAPSASA Basketball Knock-out and many students competing in the SAPSASA District Athletics during the first half of this term.

A special congratulations goes out to over 75 of our instrumental music students who performed in the **Mini Concert** on the last day of Term 2. Our concert started with the school band and included a performance from our string orchestra. Many students also performed solos and in small groups. We even had some original music, written and played by our very own Pines

students. The concert closed with our amazing and LOUD junior Taiko drummers. Our audience included families and classes who enjoyed listening to our woodwind, brass, string, piano and drum players showcasing their amazing music skills. This was also the first concert to showcase our amazing new music program t-shirts. Our students looked and sounded wonderful!

We wish everyone a great term, full of fun, engaged learning.

WELCOME TO ROOM 24'S ART GALLERY!

In Room 24, we pride ourselves on designing and creating the most amazing art work that is displayed in our very own 'Art Gallery' outside our room. Throughout the year we have been focusing on creating different and unique masterpieces. We will continue to experiment with different artistic techniques and conventions such as colour contrast, patterning, using different materials, creating illusions, shading and more. There is always a key message behind each of our designs and we always look at our artwork with an open perspective. Throughout the design process, we explore famous artists and the meaning behind their artwork. We also explore this with an emphasis on learning more about Aboriginal and Torres Strait Islander artists and the skills and techniques they used to create famous paintings and drawings.

One of our designs focused on using a technique involving fine line art. We learnt about different zodiac signs that were made from different constellations in the Solar System and drew the symbols that match these specific groups of stars. We also worked on displaying colour contrast by highlighting and decorating our zodiac sign using different colours. During the creating process, we focused on our identity and what it means to have a place in our class. We are very proud of our final pieces.
